WEDNESDAY SVENING, MARCH 1.

The Pyramid's symbols. The B. p is: Ministers' Conterence Monday had another instalment of interpretations of the great Pyramid's symtols. Some time ago Mr. G. W. French, of Philadelphis, presented the as ronomical and geometrical results of inv.signion of the marvelleus structure, and yesterday morning he came hither again to give the Conference the religious interpretstions of those at cleat symbols. The chief point of the address was to prove that the Pyramid records the prophetic history of Judaism and Otristianity. The arguments and correspondences were ingeniously interwoven and were illustrated with colored maps hung to the room The Pyramid was ercored before idolatry had made its way into the world, and accarding to the leg urer it contains no symbol of talse worship. And this, he claimed, confirmed the Sprin ural know edge of God he'd by Abimelich, King of Gesar, and of the Pharson of Exprin the time of Abraham. According to Mr Forces the narrow passageway to the pyramid symbol zes the voyage of life, which stopes downward to a dark hole haveath the earth's surface and upward to the 'King's chamber.' where the temperature stands nochangeatly at six y-eight degrees. The horiz intal passage symboliz is the departure of the Jows from Egypt and also their rij c ion of the Christ. Then the perpendicular escent, the overhanging wall and a per icular step in pyramidel sign language mean that the higher a man rises to ward the divine and the heavanly the more room there is for him, though the at-H. Memo The object of this suit is to subject the interest of the defendant in the real extere of which his father. H. S. W. Barker died seized, to the parment of the plaintiff, claim for \$43.75, with interest thereon from February 1, 1882 until paid. The said real estate is as follows: 1. A two storp his keependant and lot of cent may be difficult. The names of God, such as "Elotim" 'I am, that I am," were tumeral z d and the ontcome showed two things -the using of G d and the falliment of certain prophecies in 1881. And in view of the events of last year Mr Franch thought that these eymbols of the Pyramid taken to this connection Were something more than mere o ic deces. The proph c -s of Daniel concerning the d sirection of Jarusalem in seventy weeks and the 2 300 days were said to bring out 1881 and also the Apostyptic vision of 1260 from the Mchommedan h gira in 621 give the same date. But the Piramid thows a plus 1881, which in endes par of the current year. So that great religious . vents may be looked for in this year of grac- 1882. Then the symbol of the M. s.iab is found in the capetone "his bead of the corper," the stone "rej eted of men" but of God "elco: precious."—New York Herald,
